## Welded Mesh

Welded mesh has multiple uses, for example rabbit cages, aviaries, road barriers, fences and re-enforcing. Because of its ridged form it is easy to use in panel formation.

100 x 50			■	■	■	■	■			
100 x 100				■	■	■	■	■		

### Wide Range

Different wire diameters, different mesh sizes (mesh from 13 to 100mm).

### Quality

All mesh fabrication is made with ISO quality controlled products.

### Suitable for panels

The rigidity of the mesh makes it best suited for panel fabrication.

### Easy to roll out

The standard rolls are easy to roll out.
